Who We Are

The Event Team supplies hand-picked event professionals across the UK.

With over a decade of hands-on event experience, we have built an elite network of the nicest, most talented, and most reliable crew in the industry. From general event support to high-end technical specialists, we match the right skills to your exact project requirements.

Our professionals are matched to your event.

Our Promise

We view ourselves as an extension of your core team. Our crew have spent years honing their skills on event floors, which is why we strictly offer fair pay to retain the very best talent. By taking care of our people, we ensure you have a sharp, reliable, and high-energy team on site to support your event from setup to de-rig.

Trusted By

From day one, we have supported some of the most established names in the UK events industry on large-scale productions. Equally, we love partnering with rising organisers and innovative brands who are making waves and developing their events.
